TO MINIMISE EXPOSURE TO THE VIRUS, PLEASE FOLLOW THE INFORMATION LISTED:-

- **IF YOU ARE FULLY VACCINATED (AT LEAST 2 DOSES), PLEASE PRESENT YOUR COVID VACCINE CERTIFICATE TO RECEPTION STAFF ON ARRIVAL. IF NOT - EVIDENCE OF A RAPID ANTIGEN ARE REQUIRED.**
 - 1st and 2nd Dose vaccines need to be no less than 14 days before your appointment.
 - Evidence of subsequent doses are not required but are appreciated.
 - Rapid Antigen tests need to be done on the morning of your appointment – *please show photo of test done.*
- **IF YOU ARE EXPERIENCING FLU OR COLD-LIKE SYMPTOMS – PLEASE RESCHEDULE YOUR APPOINTMENT.**
- **IF YOU TEST POSITIVE TO COVID OR BECOME A CLOSE CONTACT PRIOR TO YOUR APPOINTMENT**
 - As a major health facility, Royal Prince Alfred Hospital is considered a High Risk setting, therefore you need to allow 8 days from the day you are diagnosed/test positive, OR identify as a close contact, before you can attend a rescheduled appointment, and of course, you must be symptom-free. If you are not sure, please contact us.
- **IT IS RECOMMENDED THAT COMPANIONS ARE LIMITED, AND WILL BE SUBJECT TO THE SAME REQUIREMENTS AS ABOVE.**
- **YOU ARE REQUIRED TO WEAR A MASK IN A HIGH RISK SETTING** - therefore, it is **mandatory** for you to wear a mask **at your appointment**. *A mask is available at entry points to the hospital, or please ask our staff at check in. If you have an exemption for wearing a mask, please present evidence.*
- **PAYMENTS FOR CONSULTATIONS BY CARD ONLY ARE PREFERRED.** *To maintain reduced risk of contact we are still encouraging payment by 'Tap' only with a card until notified otherwise.*
- **WE ASK THAT YOU OBSERVE THE 1.5 METERS DISTANCING REQUIREMENTS IN OUR CENTRE.** Whilst waiting for your appointment, and **please use hand sanitiser available in the waiting room.**

We have developed these measures from guidelines set out by the Department of Health, and continue to review them, for the safety of yourself, other patients, and staff. Thank you for your co-operation.
